MEMORANDUM FOR: Deputy Director (Plans)
Deputy Director (Science and Technology)
Assistant Director for National Estimates
Assistant Director for Research and Reports
Assistant Director for Scientific Intelligence
Chief, Special Affairs Staff
Director, National Photographic Interpretation Center

SUBJECT: USIB ad hoc Committee on Cuba

1. At the USIB meeting yesterday, it was agreed to establish an ad hoc committee chaired by CIA to survey and evaluate the intelligence basis for the Cuban overflight program. In deferring action on a COMAOR proposal affecting the present level of photographic missions, the USIB asked that the problems posed by the Cuban situation be reviewed in terms of the information needed to meet our intelligence responsibilities.

2. This is to inform you that I have designated Bruce Clarke, Chief, Military Division, OCI, to chair this committee and serve as the CIA member. I would appreciate it if you would nominate a person in your component to work with Mr. Clarke on this matter. He can be reached on [redacted] 50X1
